We Are Moving to Tallinn!

As we mentioned in our October, 2012 newsletter, we are in transition. Throughout these months we have actively sought the Lord of the harvest where and in what capacity he would have us serve him. It seems that the Lord has directed us to a new location: Tallinn, Estonia. Kandra and I will join The Tallinn Project, a new church plant in Estonia's capital. In order for us to join this team we will need to move to Tallinn in August. (Until we move we will continue to minister in Lithuania in local churches and Teen Challenge.)

This effort is led by our good friends, Nick and Olivia Puccini. We have been dreaming with them about a church plant in Tallinn for almost three years. Our gifts and personality profiles are quite complimentary. We have the same vision and goals. Kandra and I believe we can add value to The Tallinn Project.

We will also maintain our role as coordinator of The Baltic Initiative, a Church Planting Network for the Baltic states of Lithuania, Latvia, and Estonia. In this role, we will continue our ministry of inspiring, promoting, recruiting, resourcing, and training church planters in the Baltic states, including Lithuania. Though we will no longer be residents of Lithuania our hearts will always beat strongly for Lithuania.

We will work on a team of church planters on The Tallinn Project, a new church planting initiative in Estonia's capital city, Tallinn. This team is led by our good friends, Nick and Olivia Puccini.

Additionally, we will continue to coordinate The Baltic Initiative (a Church Planting Network). Our mission is to inspire, promote, recruit, resource, and train church planters in the three Baltic states: Lithuania, Latvia, and Estonia.

We will move to Tallinn, Estonia in August, 2013

We currently live in Vilnius, Lithuania

Family Update

What a great time we had in America over the holidays. There is nothing like spending Christmas with our kids and Belle. All of our kids are doing splendidly and we do give praise to God for that! Thank you for including our family in your prayers.

World Missions Summit

The gatherings at WMS3 were simply amazing. The speakers were anointed of God to challenge this generation to die to self and live for sake of the Great Commission. The results are yet to be

Prayer Requests

- Please pray for workers for The Baltic Initiative and The Tallinn Project.
- Pray that giving would return to normal levels. During January and February giving was down sharply. Pray that God would open the financial heavens and let it rain.
- Pray for our aging parents and the various issues they face. These things are difficult to manage even when close by. Put an ocean between us and they weigh heavily upon us.
- Please pray the national churches in the Baltic states would increase their vision and action toward church planting.

Thanksgiving

- We are indeed most grateful for those of you that give sacrificially every month. Your faithfulness to our ministry brings us great encouragement.

And this same God who takes care of me will supply all your needs
from his glorious riches, which have been given to us in Christ Jesus.
