Great News from Estonia!

Volume 18, Issue 2
May, 2014

As you may remember, we decided to delay our return home for itineration because we felt God asking us to help plant a church in the least religious country in the world: Estonia. Fewer than one in five Estonians say any religion plays an important part in their lives!

I am so excited to give you some updates:

- **We had over 100 people at our Focus Church Easter Preview Service!** These kinds of numbers are unheard of in a former soviet country for a “preview” service. (Sep pictures on page 2)
- The greatest highlight of the day was actually that more than 30 people came because of friendships that we had developed.
- A gospel choir that performed from a local school heard the gospel.
- God has assembled an amazing team. Each person brings his or her own set of strengths to the team. Besides that we really really enjoy each other!
- At least 45 people attended a rooftop BBQ. Yep, we are suffering for Jesus!

Without your support this would **not** be possible. Thank you for your support.

While it is normal for support to taper off at the end of a missionary’s term, we believe God will provide for our financial needs for our extended time to help plant this church.

In order for us to do what we feel God wants us to, we need \$25,000. That will help us meet our budgetary needs for our extended stay.

If you can help us out on this amazing venture we would be grateful.

Any amount that you give will be appreciated.

We believe God wants to bring a life-giving church to one of the most needy places in the world. You can be part of it! Even if you cannot help us out financially, you can pray. We experience spiritual battles everyday. But Jesus said, “I will build my church and the gates of hell will not prevail against it.”

In Christ,

David and Kandra
