We're Back Home...In Vilnius!

Two months ago we were just starting our "Millsaps' Red Zone campaign." In six days, with God and his people's help, we met our budget. Just 16 days after the start of our campaign, October 26th, we left for our second home: Vilnius, Lithuania!

Things happened quite quickly after our arrival. We travelled to Ukraine for leadership meetings, ordered our car, and drove it off the lot, after just 11 days in Lithuania.

Minnesota Student Ministries gave to Speed the Light and bought us a 2016 Subaru Outback. It handles amazingly well on the winter roads here in the Baltics We couldn't be more happy to have this incredible gift from the number one district in the nation in giving last year!! Thank YOU!!

Next on the list was moving into a comfortable apartment and getting settled. We were able to get settled in about two weeks! God blessed us with a great landlord, a four-year contract and a reasonably priced apartment that will allow us not only to live, but to minister effectively.

Please know how grateful we are for each person that partners with us to do what God has called us to do. Whether you are a student giving to STL, a child giving to BGMC, an adult giving to your local church's missions fund, or an individual or family giving a personal pledge monthly to us. We are thrilled to be back home in Lithuania. You made it happen!

2016 Year-End Giving

Our vision is to change the spiritual destiny of the Baltics by igniting a church planting movement.

Will you consider making us part of your year-end giving? We believe that God's Spirit is soon to be poured out across the Baltics. We have been working in the Baltics for almost 19 years. Never before have we seen such favorable conditions for the church. It feels like the crescendo of beautiful piece of music. It is hard to tell how loud or massive it is going to get or just how many people are going to enter the Kingdom. We just know God is in this!

Will you help us do more in 2017 by giving an additional gift in 2016? We would deeply appreciate your help. Please click [here](#) to give safely and securely online. Make sure your check is postmarked by December 31 to ensure giving credit in 2016. Checks can be sent to:

Praise and Prayer Requests

Praise

1. Our Millsaps' Red Zone campaign was very successful. Thank you so much to everyone that participated.
2. The transition to life in Vilnius has gone quite smoothly.
3. Our residence permits have been approved! We are just waiting on the cards to be printed.

Prayer

1. Pray for the Christmas outreaches in the Baltics this month.
2. Pray that God will increase the number of church planting Lithuanians, Latvians, and Estonians.
3. Pray that God would call church planters to the Baltics.
4. Pray for The World Missions Summit (see above).

The World Missions Summit

The World Missions Summit is a triennial event that is co-sponsored by The Assemblies of God World Missions and Chi Alpha. January 4-6, 2017 over 5000 university students will gather for three days of challenging messages, meals with a missionary, windows to the world experiences, and exhibits where students can actually talk to missionaries and get the inside scoop on what possibilities there are for them to join them overseas.

The final night of the summit, students will be asked to "Give a year. Pray about a lifetime!" We believe hundreds, if not thousands of students, will respond in the affirmative to this amazing challenge.

The five Great Lakes Area districts (Wisconsin, Illinois, Indiana, Ohio, and Michigan) will have a special gathering the previous evening. We have formed a strategic partnership with the leaders of this area. Students in these five districts are being encouraged, "If you are not called specifically to another country, then let's all go together to the Baltics!"

This has the potential to be a huge turning point in our church planting vision! Imagine what could happen if we had a major influx of students join our church planting teams! Will you pray with us that God would grasp the hearts of these students for the needs of the Baltics?

Will you pray that God allow us to connect, in a deep way, with the right students?

Will you pray that hundreds are called into full-time career missionary service?

We know that God cares about the Baltics and has an amazing plan for us.

*"Ask the Lord of the harvest,
therefore, to send out workers
into his harvest field." Mt. 9:38*
